Management Curriculum

Programs	Duration	Eligibility
BBA (Design Management)	3 Years	Class 12 or equivalent
BBA (Retail Management)	3 Years	Class 12 or equivalent

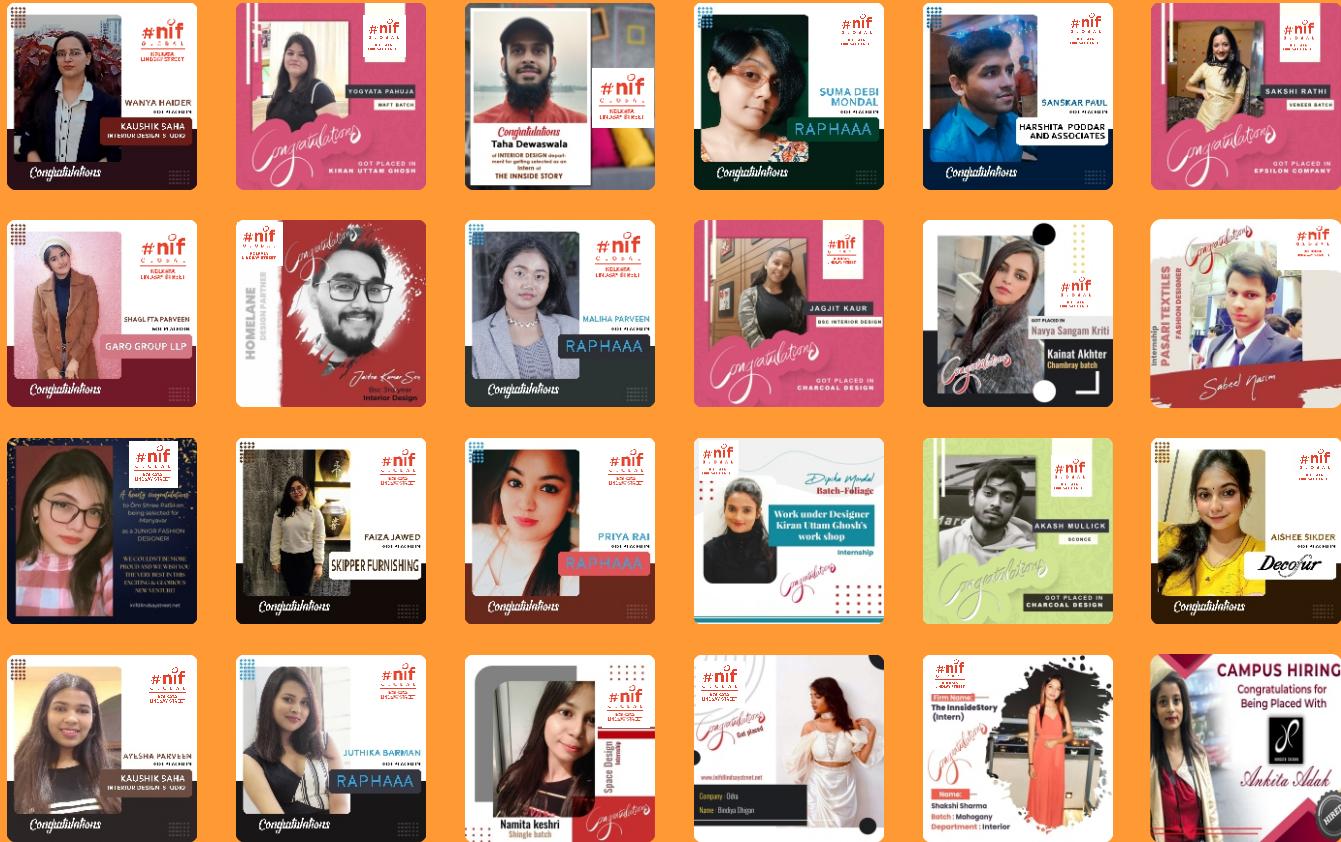

BBA (Design Management)

Discover the intersection of creativity and business savvy with our program of Bachelor of Business Administration (BBA) in Design Management. Our dynamic curriculum blends design principles with robust business strategies, equipping you with essential skills in design thinking, management, branding, and innovation. Embrace ethical design practices and sustainability, while gaining hands-on experience to drive meaningful change across industries. Whether you aspire to lead as a design manager, brand strategist, innovation consultant, or pursue entrepreneurial ventures, our program prepares you for success in shaping the future of design-driven enterprises.

BBA (Retail Management)

Dive into the world of retail with our Bachelor of Business Administration (BBA) in Retail Management. Designed to equip future leaders with the knowledge and skills needed to thrive in the retail industry, our dynamic curriculum covers essential areas such as retail strategy, merchandising, consumer behaviour, and store operations. Through hands-on learning experiences and real-world case studies, students develop a deep understanding of retail trends, technologies, and best practices. Whether you aspire to manage retail operations, lead marketing initiatives, or pursue entrepreneurial endeavors, our program prepares you for success in the fast-paced and ever-evolving retail landscape.
